Honor A Teacher

A donation has been made to the Roaring Fork Family Resource Centers in the name of

Sally Friend

Sopris Elementary School

Proceeds from tax-deductible donations to the Roaring Fork Family Resource Centers go right back to the children at school for medical, dental, mental health & vision care, tutoring, enrichment activities and much more. Call 384-5689 for more information.

Did you know that in Colorado about 7.8 million school hours are lost each year because of oral pain? A recent survey indicated that 2,400 third graders had untreated cavities. What are we doing about it?

Our staff recently attended training with the statewide program **Be A Smart Mouth**. The Roaring Fork Family Resource Centers are providing **FREE dental screenings and fluoride** for children up to age 13. If you do not have dental insurance, reserve an appointment now for your children at one of our 3 locations. **Appointments are available between Noon—5:00 PM.**

Spring Cleaning?

Clean your closets and help out The Roaring Fork Family Resource Centers at the same time. Bring your stuff to **Miser's Mercantile** and tell them to donate it to our account. We use the funds to help local families in need.
