**Plan Ahead
Love and Logic in January**

Love and Logic is based on the experience of a combined total of 75 years of raising kids. It provides simple and practical techniques to help parents experience less stress and have fun while raising responsible kids. The class offers many useful techniques parents can begin using immediately. **Love and Logic is easy to use, raises responsible kids, and changes lives.**

**Honor a Teacher
with the perfect local
holiday gift...**

We help families with medical, dental, or vision needs, tutoring, enrichment activities, parenting classes, and more!
Anyone can use our services free of charge.
Last year we served more than **1,075** children in the RFS.

*Looking for a special way to honor your
child's teachers?*

*Consider making a **tax-deductible** donation to
The Roaring Fork Family Resource Centers.*

The majority of teachers in the Roaring Fork School District are supportive of having a donation made to the Family Resource Centers in their honor. Proceeds from your donation go right back to the children at our schools for medical, dental, mental health & vision care, tutoring, enrichment activities and much more.

The person you honor will receive a colorful card with a personalized message from you. Simply complete the reply card below and return it to the Roaring Fork Family Resource Centers with your check.

Deadline is December 16th for delivery by Christmas.
